

A vibrant, tropical-themed background featuring a variety of plants and a flamingo. The scene is set against a dark, almost black background. In the foreground and midground, there are several large, bright orange flowers with yellow centers, resembling orchids or bird-of-paradise flowers. Green palm fronds and other tropical leaves are scattered throughout. A large, purple monstera leaf with characteristic holes is prominent in the upper left. On the right side, a white flamingo with a long neck and legs stands, facing left. The overall aesthetic is lush and exotic.
